## Fun and Funny

Fun is an uncountable noun.

We use **fun** after the verb **be**.

**Fun** says that things or people are enjoyable.

This is a **fun**-fair.

The rides are **fun**.

Informally, we can use **fun** as an adjective.

This is a **fun** ride.

**Funny** is an adjective.

**Funny** says that something makes us laugh.

A **funny** clown.

**Funny** can also mean unusual, odd, weird.

A **funny** fish.

We use other words to give emphasis.

a lot of, great, not much, very, not very

This ride is **great fun**.

This joke isn't **very funny**.
